

关于举办 2021 VEX 机器人世界锦标赛亚太分区赛的通知

The 2021 VEX Robotics World Championship Asia Pacific Division

VEX 机器人世界锦标赛由机器人竞赛与教育基金会创办，至今已有 15 年的历史，每年吸引全球 70 多个国家和地区的数百万青少年角逐参加总决赛的荣誉席位，并创造了规模最大的机器人比赛世界记录，被载入《吉尼斯世界记录大全》。这项世界级大赛旨在通过推广教育型机器人，拓展学生对科学、技术、工程、人文和数学领域的兴趣，提高并促进青少年的团队合作精神、领导才能和解决问题的能力。

Founded by the Robotics Education and Competition Foundation, the VEX Robotics World Championship has a history of 15 years and recognized as the largest robot competition by Guinness World Records. Once a year, millions of students from more than 70 countries/regions come together to celebrate their achievement and compete with the best in the world. The VEX Robotics Competition focus on increasing student interest and involvement in science, technology, engineering and mathematics (STEM) and 21st century skills such as problem solving, communication, collaboration, adaptability and leadership.

2021 VEX 机器人世界锦标赛将首次以线上竞赛的形式举办。本次分区赛是由机器人竞赛与教育基金会授权举办的全球唯一的 2021 世锦赛线下赛事。

In 2021, the VEX Robotics World Championship is now Remote for the first time ever! This event is the only in-person division authorized by the Robotics Education and Competition Foundation globally.

获得本次分区赛全能奖及分区冠军的赛队将有机会晋级 2022 VEX 机器人世界锦标赛！另外，本次分区赛将采用线下与线上相结合的方式，分区冠军将有机会参加全球的线上实时锦标赛，与来自世界其他国家/地区的分区冠军，争夺世界冠军的桂冠。

The Division Excellence and Division Champions will be qualified to 2022 VEX Robotics World Championship! In addition, the Division Champions will join the VEX Worlds Overall Finals and

compete head-to-head competition together with the other Division Champions using the REC Foundation's Live Remote Tournament interface for the World Champions!

本次分区赛必将带给所有赛队全新的赛事体验，并将被载入史册！

This won't be like any VEX Worlds ever experienced, but will go down in history as the first of its kind.
